

The name “Academia Nest” is just an example, if needed – it can be changed.

1. **Homepage:**

- **Purpose:** Introduce Academia Nest, highlighting its mission, diverse course offerings, and community engagement.
- **Content:** Welcoming banner, brief company overview, featured courses, and a call-to-action to explore categories.

2. **Categories Page:**

- **Purpose:** Enable users to explore various subjects and categories of courses/resources.
- **Content:** Divided sections for subjects/categories with brief descriptions, image thumbnails, and 'Learn More' buttons.

3. **Top Courses/Content:**

- **Purpose:** Showcase highly rated or trending courses, encouraging user engagement.
- **Content:** Featured courses with detailed descriptions, user ratings, enroll buttons, and testimonials if available.

4. **Cart Page (Including Payment):**

- **Purpose:** Facilitate the selection and payment of courses/resources in a streamlined process.
- **Content:** Selected items with thumbnails, quantity adjustments, a single-step payment form, and a 'Proceed to Payment' button.

5. **Profile/User Dashboard:**

- **Purpose:** Provide users with a personalized space to track progress and manage preferences.
- **Content:** User-specific dashboard displaying enrolled courses, progress trackers, settings, and recommended resources.

6. **Support/Help Page:**

- **Purpose:** Offer assistance and guidance to users when they encounter issues or have queries.
- **Content:** FAQs, troubleshooting guides, contact information for support, and a feedback section for user queries.

7. **About Us/Company Page:**

- **Purpose:** Detail the company's background, mission, values, and team behind Academia Nest.
- **Content:** Company overview, mission statement, team bios, and testimonials if available.

8. **Feedback/Review Page:**

- **Purpose:** Encourage user engagement and collect feedback to enhance the platform.
- **Content:** Feedback forms, user testimonials, and a section to submit reviews or suggestions.

9. **Blog/Resource Page:**

- **Purpose:** Provide users with additional learning resources and insightful articles.
- **Content:** Well-organized blog section with articles, resources, search/filter options, and social sharing features.

#### 10. Privacy & Security Page:

- **Purpose:** Assure users of the platform's commitment to data protection and privacy.
- **Content:** Information on privacy policies, data security measures, and contact details for privacy-related queries.

We will be adding video content/images/documents as courses as needed, the website should be designed using Bootstrap to make sure that it is responsive for all devices.

The web pages will be assigned to everyone once a theme is found.
